Article I - Name

The name of the association shall be the **New York Harbor School Parent Teacher Association**.

Article II – Objectives

The objectives of the association are to provide support and resources to the school for the benefit and educational growth of the children; to develop a cooperative working relationship between the parents and staff of our school; to develop parent leadership and build capacity for greater involvement; to foster and encourage parent participation on all levels; and to provide opportunities and training for parents to participate in school governance and decision-making.

Article III - Membership

Section 1 Eligibility

- 1.1.** Parents of students currently attending **New York Harbor School** are automatically members of the **New York Harbor School Parent Teacher Association**.
- 1.2.** Parents include parents by birth or adoption, step-parents, legally appointed guardians, foster parents, and persons “in a parental relation” to a child currently attending New York Harbor School. A person in a parental relation refers to a person who has assumed the care of a child because the child’s parents or guardians are not available, whether due to, among other things, death, imprisonment, mental illness, living outside the state, or abandonment of the child. A person may qualify as a person in parental relation only if no other eligible person applies as parent or guardian. Any determinations about who constitutes a person in parental relation must be based on the individual circumstances surrounding guardianship and custodial care of the particular child. This shall include consultation between the PA Executive Board and the principal. The denial of membership under this definition may be the subject of a grievance to the Department of Education under Department of Education Regulation A-660. A person who provides temporary care for a child (e.g., a babysitter, nanny, or non-custodial relative) does not qualify as a person in parental relation.

- 1.3. A parent may not designate another individual to serve in his/her place as a member of the PTA. However, a designated person, as distinct from a person in parental relation, who is acting in *loco parentis* in place of a parent, for example, a caretaker or a noncustodial family member, may have limited participation in the PTA provided they submit a letter to the Principal signed by the parent. Such a designated person may then participate in the PTA in place of the parent, but may not vote.
- 1.4. All disputes as to either persons in a parental relation or designated persons will be referred to the school administration.
- 1.5. Parents of incoming students who do not currently have a student enrolled at New York Harbor School are not eligible for membership and may not stand for election until their child is enrolled in and attending the school.
- 1.6. As this association is a Parent Teacher Association, membership is also open to all teachers, nurses, paraprofessionals, school aides, school secretaries, and food service workers currently employed at the New York Harbor School.

Section 2 Dues/Donations

The payment of dues cannot be a condition for participation or membership. However, each member shall be requested to make a voluntary donation of **\$300**.

Section 3 Voting Privileges

Each member shall be entitled to one vote. Members must be present to vote. Proxy voting or absentee balloting (including via email) is prohibited. The right of a member to vote may be limited by the Conflicts of Interest restrictions outlined in Chancellor's Regulation A-660 (CR A-660).
